

Oncology Social Work

Welcome to the Mass General Cancer Center. A new diagnosis of cancer can be stressful and raise many questions. Oncology Social Workers, are available to assist you with your emotional concerns and resource needs. Oncology Social Work services are free of charge. No referral is needed.

We will listen and provide support and guidance. In addition to individual and family counseling, we offer information about support groups and other services within Mass General Hospital; we are also able to connect you with resources in your local community.

Contact us at the numbers below or talk to your treatment team.
